Occupational health doctor’s medical examination for enterprises

We offer occupational health services to enterprises of different sizes: large enterprises, medium-sized and small enterprises, and micro-enterprises.

The cost of a medical examination for the employees of the enterprise is prepared individually (not package-based) and taking into account the risk assessment of the working environment and the risk factors of the working environment of the employees.

- Micro-enterprise: on the basis of a permanent contract
- Small, medium, and large enterprise: on the basis of a permanent contract

Organisation of medical examinations for the employees of your enterprise

Please let us know by writing to vilve.ainson [at] itk.ee (vilve[dot]ainson[at]itk[dot]ee) or phone 5400 5849 and 606 7555. We’ll get back to you.

- Based on the risk factors presented by your enterprise (work environment risk analysis), we will prepare a draft contract for you, which includes health services with prices. If the terms of the contract are suitable for you, we will await the return of the contract for the provision of healthcare services signed by you.
- After the contract has been signed by both parties, we will coordinate the schedule of the medical examination with you.
- Medical examinations of your employees will be carried out.
- Communication of feedback and medical examination decisions.
